From Westchester and Connecticut:

Take 287 (NYS Thruway) North or West crossing Tappan Zee Bridge to Exit 11 (second exit after bridge). After ramp, continue straight on High Avenue. Be careful of a new speed bump after second traffic light! Follow High Avenue all the way down to Gedney Street close to the river. Make a left onto Gedney and the Club will be the first building on your right one block down. Driveways are located both north and south of the club, leading down to the dry sail area.

From New Jersey and points West:

Take 287 (NYS Thruway) South or East to Exit 11 (last exit before bridge). After ramp at traffic light, make a left onto Route 59 East. Stay in the right lane. At the next traffic light 59 turns into Main St. Follow Main St. through the next 3 lights. The last light is Broadway. Gedney St. is the last street on the left before the big apartment building. The club is the first building on your right 2 blocks down. Driveways are located both north and south of the club, leading down to the dry sail area.

Leaving Nyack: The entrance to 287 South and East towards the Tappan Zee Bridge is on Main Street or Route 59 West after the underpass. The entrance to 287 North and West towards NJ and points North and West is at the top of High Avenue, one block north of Main Street / Route 59.
