East

CONSISTENCY WINS!

As we all know, consistency is what wins Thistle regattas. Consistent tactics, crew work and speed. Since our opening six years ago, **SHORE SAILS MIDWEST** has been working hard to develop the most consistent Thistle sails in speed and quality. No other sailmaker gives you the consistent service that **SHORE SAILS** provides. Our sails give consistent performance . . . and we have the results to prove it!

SHORE SAILS are not only fast, but also easy to trim. They're not gimmick sails—but they do deliver the performance to win races . . . **CONSISTENTLY**. Ask any Shore customer.

...for the fastest and easiest to trim Thistle sails available give **GREG FISHER** a call. Consider us your personal sailmaker.

**WE WILL
HELP YOU
WIN.**
