Coming Or Going, You're Going The Right Way With North.

Ched Proctor showed North's Championship form at the 1998 Thistle MidWinters.

No matter which way you're going, you're going there fast with North Sails. Following our National and MidWinters near sweep (first, and 9 of the top 10 finishes at both championship events) we're pretty sure you'll agree. Our dedication to sail development and customer service has made ours the fastest, strongest, easiest to trim sails in the class. Shouldn't you be able to say that about your sails?
